Mr. Edward White,
185 West 135th St.,
New York City.
Apt. 4.

Dear Sir:

Your letter of June 20th received.

It would be impossible to discuss playing a ball game for benefit of The Urban League through the mail, there are many angles that would have to be explained.

I will be glad to talk to you whenever it is convenient for us to meet. I cannot say at this time when I will be in New York. If you drop me a line I will see you at my office in Newark almost any day between 11 A. M. and 2 P. M. Let me know in advance, so I will arrange to be here.

Very truly yours,
